Ag 5 At the meeting of the D Comms recently held at Bangalore, this question also came up for discussion and the general policy was that if a slight relaxation of the rule were to be allowed, it would lead to a large abuse of the concession and the suggestion was accordingly rejected. The F.C. apparently is not in favour of even small exports under circumstances reported by the D.C. of Shimoga. If appd. instructions ~~may~~ will be sent to the D.C. accordingly

To

C.S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore.

Sir,

With reference to your letter No. G.26179 dated 18th May 1920, requesting that the report of the Deputy Commissioner, Shimoga as to how the export of 29 pallas of paddy from the Shimoga District was allowed, I have the honor to state that no reply has yet been received from the Deputy Commissioner to my communication No. 5695 addressed to him on the 8th May, a copy enclosed. But I have received the Deputy Commissioner's reply No. O.C. 2955 of the 17th instant to a previous communication of mine No. 5122 dated 23rd April 1920 on a similar case. Copies of both these communications are also enclosed. The Deputy Commissioner appears to have been under the misapprehension that he might permit the export of small quantities of controlled foodstuffs although under Government order No. 17327-77/P.P. 134-18-286 dated 14th February 1919 no licenses are to be issued for exports outside the State except such as are authorised by Government. I request that clear instructions may be given to the Deputy Commissioner to allow no more exports like this.

I have the honor to be,
Sir,
Your most obedient servant,

Food Controller & Director.

Letter No. 5695 dated 8-5-1920 from the Director of Civil Supplies in Mysore to the Deputy Commissioner, Shimoga District.

With reference to the note made by you on the weekly statement of export licenses for the week ending Saturday th 1st May 1920 stating that 15 pallas of paddy was allowed to be exported to Siddapura by one Mr. A. Ganappayya Sadhu on the authority of the license issued by the Sub Division Officer, I have the honor to state that in the statement of weekly returns for exports and imports for the week ending 1st May 1920 furnished by the Amildar, Sorab Taluk, it is noted that 14 pallas and 15 pallas of paddy were allowed to be exported during the weeks ending 24th April and 1st May respectively. I therefore write to request you to kindly ascertain from the Sub Division officer Sagar and intimate to me the circumstances under which these exports were allowed.

Letter No. O.C. 2955 (Rev) 19-20 from the Deputy Commissioner Shimoga District to the Food Controller and Director of Civil Supplies in Mysore.

With reference to your letter No. 5122 dated 23rd April 1920, I have the honor to state that having regard to the discussions on the question at the meeting of Heads of Departments and Deputy Commissioners on the 30th March last I considered that I would not be acting improperly if I allowed the export of very limited quantities of food stuffs in cases where I was satisfied that the export was asked for for bona fide domestic purposed and where a refusal would operate as a great hardship. Owing to the close proximity of British villages to those within our limits there are several cases of people owning lands in Mysore but having residence just on the other side of the frontier. In several instances people have come to me with requests for permission to export grain for their own domestic use, for use on the way when proceeding for a marriage and such other real necessities. It would be very hard if in such cases the applicants are asked to sell their grain here and buy it again on the other side - not infrequently at a higher price. It is on a consideration of these circumstances and after personally satisfying myself of the bona fide nature of the request in each case that I have sanctioned the export of small quantities of grain in about 4 or 5 ~~cases~~ cases.

2. I request that if necessary you may be so good as to ~~prefer~~ refer the matter to Government and obtain their approval to the action taken by me, as a special case, and if you agree, generally to the export of foodstuffs in limited quantities being permitted by Deputy Commissioners in cases like those above referred to. The conditions this

this year so far as the supply of foodstuffs is concerned are very much better than what they were when Government Order No. 17327-77/P.P. 134-18-286 dated 14th February 1919 was passed and would seem to justify the grant of permission for the export of limited quantities in special cases as explained above.

Letter No.5122 dated 23rd April 1920 from the Food Controller & Director of Civil Supplies in Mysore, to the Deputy Commissioner, Shimoga District, Shimoga.

I have the honour to state that an export of 30 pallas of rice and 10 pallas of ragi appears in the return of the Sorab taluk for the week ending 3rd April 1920 and the Amildar in reply to an enquiry from this office reports in his No.614 dated 18th instant that a license was issued by him in accordance with your No.1649 of the 10th March, communicated by the Sub Division Officer in his No.586 of the 14th idem. I request to be informed how the export was allowed. In this connection I have to invite your kind attention to para 4 of Government Proceedings No.G.17327-77/P.P.134-18-286 dated 14th February 1919 in which Deputy Commissioners are "requested to see .. that no license is issued for exports outside the State except such as are authorised by Government".

Letter No. H.C. 771(Rev) 19-20 dated 17th May 1920 from the Sub-Division Officer, Sagar Sub Division, to the Deputy Commissioner, Shimoga District.

With reference to your docket No. O.C. 3038(Rev) 19-20 dated the 11th instant, I have honor to forward herewith for perusal and favor of return, papers relating to the grant of a license to Gannapaya Sadhu for exporting some grain to Siddapur.

2. The gentleman collects grain in Sagar and Sorab Taluks as well as in British Territory, from pious persons for performing an annual Santharpane at Siddapur which is largely attended by people from these parts. Last year, he was allowed to take to Siddapur the grain collected in Sagar and Sorab Taluks under the orders of the then Deputy Commissioner. A similar license was granted to him this year also, in persuance of your Memo No. O.C. 1774 dated the 10th January 1920 passed upon the recommendation of my predecessor Mr. Suryanarayana Sastry.

3. I may add that the Sadhu commands great respect in these parts and the local people are very particular about helping the man with pious contibutions of grain for the Santharpane.
